Three-Cab Pendant Necklace by Amy Blevins

Skill Level: Advanced Seed Bead Weaving & Bead Embroidery
Proficiency in Peyote, Cubic Right Angle Weave, Square Stitch, and
Bead Embroidery
6-hour class

Learn how to properly place and space your pieces in Bead Embroidery. This class offers the student a unique way to place Swarovski Rivoli's in Bead Embroidery. Great embellishment techniques and custom artisan cabochons round out this beautiful pendant. To finish, you'll weave a squared rope and accent it with a carefully constructed & perfectly cool clasp.

While your project may not be completed in class, all major components will be demonstrated and illustrated in the instructions.
